INVITE FLEET TO THE PARADE

Secretary Meyer Officially Asked to Have Cruisers in Port on February 22.

An organized effort will be made through the proper official channels to scence a representation of the Pacific neet in Honolula during the month of Cobroszy, and particularly on Pobenary when the sexis aunual Floral Parade

on the Manchucka to Seere the Navy Meyer and to Dele-Kalamianania, both for delivery in-Washington, in which the request of the Florid Parada committee for the entire floor or a division is made.

Director cloneral Wall held a conferonce yesterlay with Bear-Admiral Rees, U. S. N., commandant of the The revolution is over. Yesterday the mayal station, concerning the possibil- government made the announcement by ity of the fleet coming to Hawmian officially removing the censorship over waters in February. Admiral Rees has the reports of the Associated Press and and no information which would lead relinquishing the use of the Associated him to state that the department has private and leased telegraph system. definite plans about sending someof the emisers from Mare Island to the troops are in control and numerous Housdala this winter, but he suggested arrests of the revolutionary leaders are that the committee might ascertion the being made. In no place are the rebels plans of the navy department by writtin force and no positions are held by ing directly to the secretary of the them,

Mr. Wall has acted upon Admiral Rees' suggestion, and in ablition to asking whether any of the yessels will be sent here for maneuvers this winter, has asked that the department send the fleet, or a portion of it, to Honolate to participate in the Floral Parade

Should the fleet or a part of it be ere for the parade, the sixth annual celebration will be the most attractive yet held. In addition to the usual parade of decorated autos, historical fonts, island princesses, pau riders, its, the committee is also the service new represented in various retary in the Asquith government, was It is boped not only to have defact-ments in the parade, but also to have terrlay, being attacked by a male syma competitive drill in which cavalry, pathizer of the "Votes for Women" great artillery, field artillery, engineers, campaign. The home secretary was reforces will take part. If the craisers where he had made a political address, are here on that date it is expected where he had made a political address, sthat detachments from each ship will when he was attacked on the train by the represented and that the fleet will the fanatic.
